

## LONG NOSE PLIERS No.511 • No.511A

[In slide pack]

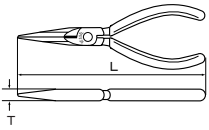

- Thin and tough head for almost multi purpose heavy duty design.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148112	150	160	10	0.12	60

(Same spec. as No.511 and No.511A)

## ELECTRONIC LONG NOSE PLIERS No.513

[In slide pack] [Box]

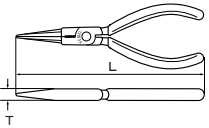

- For disassembly/assembly of electronics and precision equipments.
- Easy open/close by spring action.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148123	150	155	9	0.08	60

## LONG THIN NEEDLE NOSE PLIERS No.515

[In slide pack] [Box]

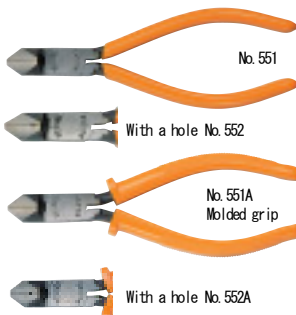

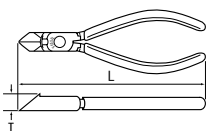

- Thin nose provides great contribution to speed-up in installation, precision wiring of electronics and precision equipments at restricted area.
- Easy open/close by spring action.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148124	150	155	9	0.08	60

## DIAGONAL CUTTING PLIERS No.551 • No.551A No.552 • No.552A

[In slide pack]

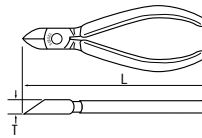

- Designed for thin electrical copper wire cuts.
- Hole at blades for easy stripping of insulated wires.

EDP #	SIZE	L	T	kg	MIN. QTY. OUTER CTN.
148231	125	130	14	0.09	60
148232	150	155	16	0.12	60

※552 × 125, 551 × 150, 551A × 125 and 551A × 150 are discontinued.

## STANDARD CUTTING PLIERS No.555

[In slide pack]

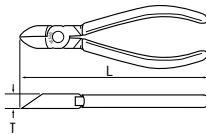

- High precision and thin blades keep sharpness of cuts.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148331	150	150	10	0.11	60

## HEAVY DUTY DIAGONAL CUTTING PLIERS No.581

[In slide pack]

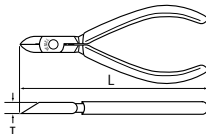

- Powerful cuts of various wires (steel, copper) .

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148301	150	160	11	0.15	60

## MICRO CUTTING PLIERS No.561

[In slide pack] [Box]

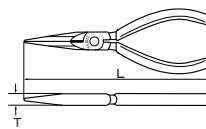

- Slim head and sharp edges allow thin copper wire cuts.
- Easy open/close by spring action for less gripping fatigue.
- No.561 x 125 with spring retainer to prevent missing.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148321	100	100	7	0.04	60
148322	125	127	8	0.07	60

## MICRO ELECTRONIC PLIERS No.521

[Box]

- Thin and tough nose allow high precision and complicated wiring and wider application.
- Easy open/close by spring action.

EDP #	SIZE	L mm	T mm	kg	MIN. QTY. OUTER CTN.
148122	125	130	8	0.06	60

### ⚠ CAUTION! (Wire stripper & Cutting pliers)

- Do not apply this tool to live-electric objects.
- When in use, check safety around you because of cutting fragments.
- Use in proper application, size, how to use.
